Kreativstorm

Dear Hiring Manager,

I am excited to apply for the Frontend Developer Intern position at Kreativstorm. I am currently pursuing a degree in Civil Engineering at Suez University and have hands-on experience in HTML, CSS, JavaScript, React.js, and many more.

I recently developed a mobile-responsive website for a local non-profit, enhancing my skills in translating design mockups into functional web effectively pages. I am also proficient in using Git for version control.

I am eager to contribute to your team's success while gaining valuable industry experience. Thank you for considering my application.

Sincerely,

Mostafa Ehab
